

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

1. Provide a description that addresses the entire scope of the proposed project.

The Salvation Army's Housing Assessment Program (HAP) serves as the CoC's Coordinated Entry. HAP takes referrals primarily from United Way 211, according to our local protocol, but also receives referrals from other agencies and providers as well as self-referrals. HAP ensures that special populations, such as unaccompanied minors or those experiencing domestic violence, are quickly referred to community experts for additional and/or more specific services. The critical and primary function of Coordinated Entry is to ensure access to the crisis response system in a streamlined way, assessing persons' strengths and needs, prioritizing, and matching persons to appropriate housing and mainstream services. A consistent assessment provides the ability for households to gain access to the best options to address their situation and incorporates participants' choice as much as possible rather than evaluating for a single program within the system. The most intensive interventions are prioritized for those with the highest needs, which includes placement within the community's registry as appropriate. HAP collects and tracks all related information in HMIS and provides the community with regular information regarding trends and gaps within the system. HAP coordinates with multiple systems and agencies to ensure households in a housing crisis are assessed and matched with appropriate housing resources and/or stabilization services. This may include referrals to the Department of Health and Human Services or

Community Mental Health services, or other mainstream services. HAP is an active partner within the CoC, which has over 60 member agencies, of which there are about 24 programs that are utilized by coordinated entry for referrals. Referrals from HAP are made to service providers who can offer prevention assistance; Rapid Rehousing assistance; Permanent Supportive Housing; Transitional Housing and/or referral to temporary placements for those who have no immediate options for accommodations. These referrals include both HUD and non-HUD funded programs to ensure coordination among all available resources.

2. Does your project have a specific population focus? No

3. Housing First

3a. Does the project quickly move participants into permanent housing? Yes

3b. Does the project ensure that participants are not screened out based on the following items? Select all that apply.

Having too little or little income	<input checked="" type="checkbox"/>
Active or history of substance abuse	<input checked="" type="checkbox"/>
Having a criminal record with exceptions for state-mandated restrictions	<input checked="" type="checkbox"/>
History of domestic violence (e.g. lack of a protective order, period of separation from abuser, or law enforcement involvement)	<input checked="" type="checkbox"/>
None of the above	<input type="checkbox"/>

3c. Does the project ensure that participants are not terminated from the program for the following reasons? Select all that apply.

Failure to participate in supportive services	<input checked="" type="checkbox"/>
Failure to make progress on a service plan	<input checked="" type="checkbox"/>
Loss of income or failure to improve income	<input checked="" type="checkbox"/>
Domestic violence	<input checked="" type="checkbox"/>
Any other activity not covered in a lease agreement typically found in the project's geographic area.	<input checked="" type="checkbox"/>
None of the above	<input type="checkbox"/>

3d. Does the project follow a "Housing First" approach? Yes

approach?

4. Please select the type of SSO Project: Coordinated Entry

4a. Will the coordinated entry process funded in part by this grant cover the CoC's entire geographic area? Yes

4b. Will the coordinated entry process funded in part by this grant be easily accessible? Yes

4c. Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance.

HAP has a close working relationship with 211 and utilizes its community connection to direct households in need of housing support to the HAP for screening and assessment. Information regarding HAP services is available via The Salvation Army's website, as well as through presentation made in the community and staff representation at multiple meetings within the system of care for Kent County. HAP maintains weekly walk-in hours, a staffed phone system for housing need requests, and after-hours procedures to ensure emergency coverage. There are also set hours provided by HAP for Intake Specialists to screen and assess homeless households at two neighboring agencies: the Mel Trotter Ministries homeless shelter and the Heartside neighborhood resource center.

4d. Does the coordinated entry process use a comprehensive, standardized assessment process? Yes

4e. Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services.

HAP follows policy and procedures for prioritization that are approved by the CoC and is an active member of the Coordinated Assessment committee, working with both HUD and non-HUD funded agencies to ensure that all housing resources are coordinated for referral. HAP utilizes the VI-SPDAT to screen for household need and makes referrals to housing service providers based on program eligibility and availability. In the Coordinated Entry role, HAP maintains a Category 1 homeless registry (for both individuals and families) that assists in prioritizing those who are most vulnerable. This firmly moves service delivery away from a first-come/first-served approach. HAP enters all participant data into HMIS and is developing processes in conjunction with the CoC System Administrator to complete HMIS-based referrals to partnering service providers.

4f. If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth? Yes

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

6E. Supportive Services Budget

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.
