

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

Keys First will serve households with children who have been living on the streets or in emergency shelters. Screening and Assessment for entry into this project will be coordinated through The Salvation Army Social Services who oversees the Housing Assessment Program which is the centralized point of intake for all persons with a housing crisis in Kent County. Resources will be targeted and prioritized based upon community priorities. Families who are living on the streets or in shelters and lack the financial resources and support networks to obtain housing on their own and have incomes at or below 30% of AMI shall be prioritized for this rapid rehousing project. Participants will pay 30% of their adjusted income toward rent and may receive short or medium term assistance based on need. Priority is placed on providing only the least amount of assistance needed by a household to obtain and maintain permanent housing. All households will be assisted to obtain housing in the private rental market and be assisted to secure a lease in the neighborhood of their choice near amenities that they most desire or need. All units will meet HUD Housing Quality Standards and rent reasonableness will be the applicable rent standard. All participating households will receive services from a trained Housing Resource Specialist (HRS). HRS's support the continuity of assessment and planning from early intervention through permanent housing stability. Services are based on the Housing First, Strengths based model that values the consumer as a partner and expert about what is needed to obtain housing stability. Services are voluntary but a minimum requirement of monthly contact ensure specific steps to achieve goals are outlined and strengths and resources are identified and rallied to address any barriers that might interfere with housing stability. The Housing Resource Specialist provides services throughout program participation and for six months post exit from rental assistance. Services are designed to enhance participant's housing stability and self-sufficiency. HRS's assist with linkages and utilization of community resources and assist the household with the development of a homeless risk prevention plan. The non-housing related service needs of households are brokered via referral and linkages to mainstream community resources. These mainstream services include, but are not limited to employment services, mental health services, legal advocacy, disability services, primary health care, substance use disorder services, counseling, etc.

OCT 10 1955.

The Salvation Army
c/o Cadwalader, Wickersham and Taft
40 Wall Street
New York 5, New York

Attention: Mr. H. Gilmer Wells

Gentlemen:

This is in reply to a letter dated August 15, 1955, from Cadwalader, Wickersham and Taft, in which they request reconsideration of our ruling issued on May 27, 1955, to The Salvation Army, Detroit, Michigan, holding that The Salvation Army is not a church or a convention or association of churches referred to in section 170(b)(1)(A)(i) of the Internal Revenue Code of 1954, and that such ruling be revoked. It is also requested that a ruling be issued to the effect that the National Headquarters of The Salvation Army and its various components throughout the United States constitute a church or a convention of churches as that term is used in section 170(b)(1)(A) of the 1954 Code.

It is stated that The Salvation Army is an international unincorporated Christian Church with International Headquarters in London, England; that its churches within the United States are organized into four Territories under the general supervision of the National Headquarters in New York City; and that the Territories are further subdivided into 48 Divisions, each of which supervises The Salvation Army churches within a state or a part of a state.

The evidence submitted discloses that The Salvation Army has a distinct legal existence, a recognized creed and form of worship, a definite and distinct ecclesiastical government, a formal code of doctrine and discipline, a distinct religious history, a membership not associated with any church or denomination, a complete organization of ordained ministers ministering to their congregations; ordained ministers selected after completing prescribed courses of study, a literature of its

own, established places of worship, regular congregations, regular religious services, Sunday Schools for the religious instruction of the young, and schools for the preparation of its ministers.

It is further stated that in addition to the fundamental ecclesiastical activities as a Christian Church, The Salvation Army also conducts recreational and social programs of the same types as other churches or denominations, and that in working with the spiritually disassociated members of society The Salvation Army found it necessary to administer to the physical needs of those whom it brings spiritual Salvation. For this purpose it maintains shelters for transients, rehabilitation centers for alcoholics, homes and hospitals for unmarried mothers, visiting services for those in prison, nurseries and camps for children of abandoned mothers, and medical and dental clinics. Such activities are under the supervision of Salvation Army officers who are Ministers of the Gospel, and form an integral part of the religious program within the ecclesiastical organization of The Salvation Army.

It is further stated that The Salvation Army is recognized as a church or denomination by other Christian Churches, and has operated effectively in close conjunction with representatives of all faiths throughout local, national and international councils of churches and ministerial associations. At the first Assembly of the World Council of Churches in 1948 five Salvation Army Commanders were international representatives, and one was a member of the Central Committee. The Salvation Army is listed in the 1955 Yearbook of American Churches, published by the National Council of the Churches of Christ in the U. S. A.

Under section 170(b)(1)(A) of the 1954 Code, individuals are allowed an additional deduction of not exceeding 10 percent of their adjusted gross income for contributions made to a church or a convention or association of churches, to educational organizations referred to in section 503(b)(2), and to hospitals referred to in section 503(b)(5).

We have held The Salvation Army and its State and Regional organizations and local posts exempt from Federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, and that contributions made thereto are deductible by the donors in arriving at their taxable net income in the manner and to the extent provided by section 23(o) and (q) of the 1939 Code.

3 - The Salvation Army

Section 101(6) and section 23(e) and (q) of the 1939 Code correspond to section 501(c)(3) and section 170 of the Code of 1954.

Based upon the evidence submitted it is the opinion of this office that the National Headquarters of The Salvation Army and its various components throughout the United States constitute a church or a convention or association of churches as that term is used in section 170(b)(1)(A)(i) of the 1954 Code, and contributions made thereto are deductible by individual donors to the extent of the special rule provided in section 170(b)(1)(A) of the 1954 Code.

The ruling dated May 27, 1955, addressed to The Salvation Army, Detroit, Michigan will be revoked.

Very truly yours,

Assistant Commissioner
