

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

2A. Project Subrecipients

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

This form lists the subrecipient organization(s) for the project. To add a subrecipient, select the  icon. To view or update subrecipient information already listed, select the view  option.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Annually, over 300 households in Kent County are served directly by two domestic violence (DV) shelters with immediate, albeit short term, protection and support. Transitional Housing is utilized for victims of DV when accessing permanent housing, through formal permanent housing supports, with natural supports or otherwise, is not a realistic or safe option due to access barriers, safety concerns and/or social-emotional barriers. Project HEAL (Housing, Education, Advocacy and Legal assistance) provides up to 24 months of TH that is dedicated to victims of DV and their children when intensive supportive services and housing support are both needed to maintain safety. The HUD-funded portion of Project HEAL maintains 19 scattered-site apartments for survivors in several large apartment complexes within the community. Intakes are coordinated with entities interfacing with DV victims through a community coordinated entry plan developed by the providers and Centralized Intake (the Housing Assessment Program). All households accepted into the program are offered case management services which are focused on safety, recovery and accessing permanent housing as quickly as possible. Program goals: 80% of households exit into sustainable permanent housing, 63% of leavers have a higher level of income from that at entry, and 40% of leavers have some level of employment income. To these ends, coordination with community services is critical. Goodwill, Women's Resource Center and Bethany Christian Services (employment training), Network 180 and internal YWCA Counseling Center (counseling), the DHHS, WIC, 4Cs (mainstream benefits, nutrition, childcare), are all resources accessed by advocates routinely.

HEAL advocates facilitate linkages and utilize program resources to access legal services through Legal Aid of Western Michigan, and pro-bono attorneys. The program supports educational expenses for survivors and assists with transportation. Supports for daily living needs; basic apartment furnishings, food, medication and utility payments are also available, utilizing a strength-based model for problem solving around living expenses. Families have free access to other YWCA services for victims/survivors: support groups, individual and family counseling, emergency shelter, permanent housing referrals/advocacy, sexual assault and child sexual abuse service. Project HEAL is one component of the YWCA's trauma-informed response to domestic violence.

Project HEAL prioritize moving to permanent housing as quickly as possible, while incorporating the crucial elements of safety and recovery from domestic violence as part of its service design. Access is low barrier, and although designed for 24 months of service, most households exit to permanent housing in approximately 11 months. HUD identifies that TH is a critical and correct service for some families fleeing violence. Project HEAL responds to this need.
