

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2019 Continuum of Care (CoC) Program Competition. For more information see FY 2019 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2019 CoC Program NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2018 Project Application will be imported into the FY 2019 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2019 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Data can be imported into a FY 2019 renewal project application from a FY 2018 new or renewal project application. For a project application that did not import last year's FY 2018 information, e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that select "Fully Consolidated" on the Grant Consolidation screen may not use the "Submit Without Changes" process and esnaps will automatically be set to "Make Changes". However, if the applicant selects "Individual Renewal", this project application(s) can use the "Submit Without Changes" process. In addition, esnaps will automatically be set to "Make Changes" if the project applicant indicates on the Renewal Expansion Screen, this project application is for a "Combined Renewal Expansion" project application. However, the stand-alone renewal expansion project application(s) can use the "Submit Without Changes" process.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen;
- Renewal Expansion Screen;
- Renewal Grant Consolidation Screen;
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2018 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and esnaps navigation guides found on the HUD Exchange to find more in depth information about applying under the FY 2019 CoC Competition.

Recipient Performance

- 1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** No

Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.

Most recently expired grant ended 6/30/2019 and the sub recipient has 90 days to submit APR to the agency.

- 2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

- 3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

- 4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

Renewal Expansion

As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Expansion. This process can combine up to 1 stand-alone renewal project application and 2 stand-alone new expansion project applications into 1 combined renewal expansion project application. This means recipients no longer need to combine expansion data in CoC Post-Award. Renewal projects that are part of an expansion must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 GIW or eLOCCS, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a combined renewal expansion in the FY 2019 CoC Program Competition? "If "No" click on "Next" or "Save & Next" below to move to the next screen.

No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2019 CoC Program Competition? No

HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

Donors may deduct contributions to you as provided in section 170 of the

Letter 947 (DO/CG)

COMMUNITY REBUILDERS

Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Since you have not indicated that you intend to finance your activities with the proceeds of tax exempt bond financing, in this letter, we have not determined the effect of such financing on your tax exempt status.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.
