**Region 4
Number of Homeless on MSHDA HCV WL 3/2/2023**

Please see below the number of individuals on the Homeless Preference Waiting List for your county compared to the number of homeless reported or added to the Homeless Preference Waiting List during December, and the number of individuals the Housing Agent has pulled from the Homeless Preference Waiting List as of March 2, 2023.*

***NOTE: These are ‘moving’ numbers. It may appear a housing voucher is vacant (not leased), however it may be ‘under contract’ – i.e. the household is looking for a rental unit. A household has 60 days to locate housing. The HARA would have to check with the MSHDA Housing Agent for precise information. ALL service providers in the community - this is a great opportunity to focus efforts on helping households in locating housing! You may have access to leads that others are not aware of.**

County	# Added to HP List in February of 2023	# of Homeless on Homeless Preference List	# Pulled by Housing Agent in February	MSHDA Voucher Allocation	MSHDA Voucher Leased-Up

Osceola	3	13	0	30	34
Ottawa	49	166	48	401	427

Tips for keeping your waiting list full:

- Work with/at local shelters so that chronically homeless people are entered onto the waiting list;
- If there are zero shelters in your county, speak to your MSHDA Homeless Assistance Specialist regarding counting doubled-up as homeless (for purpose of placement on the HCV waiting list);
- Work closely with your Housing Agent to know when/where turnover is occurring;
- **Ask your Housing Agent about their pull ratio.** Do they pull two names for every vacant voucher available—or three names, or four? Compare that to your ‘waiting list’ numbers.
- Direct persons who are experiencing homelessness or may qualify for the homeless preference to the HARA agency in your community.

- Work with your Housing Agent to help locate persons or identifying housing options.
