INTROS

State of Funding – Funding Bill PASSED!

For FY25: Congress included language to ensure that FY25 renewal projects for CoCs are awarded in the timeliest manner possible.

HUD must immediately non-competitively renew all projects expiring in quarter one (January through March) of 2026 for a 12-month period.

If HUD does not make awards by April, HUD must non-competitively renew all projects expiring in quarter two (April through June) of 2026 for a 12-month period.

If HUD does not make awards by July, HUD must non-competitively renew all projects expiring in quarters three and four (July through December) of 2026 for a 12-month period.

Projects awarded in this manner and under this provision cannot be penalized or deemed ineligible for any funding opportunity for FY2025 or FY2026.

FY 2026 Funding

\$290 million for Emergency Solutions Grants (ESG)

\$4.010 billion for the Continuum of Care Program. This includes a \$52 million set-aside for projects to assist survivors of domestic violence, dating violence, sexual assault, or stalking, \$107 million for the Youth Homelessness Demonstration Program (YHDP), and \$10 million for the National Homeless Data Analysis Project.

The funding available for the CoC Program in FY26 is more than a \$300 million increase from the FY2025 Full-Year Continuing Resolution. Because of the flat funding between FY2024 and FY2025, however, there will likely be a gap between the amount available and the amount needed to cover eligible renewals, including more than 200 projects awarded originally under the Special Notice of Funding Opportunity (NOFO) which were not eligible for renewal in FY2025.

HUD must keep Tier 1 funding—the amount of funding that is awarded based on CoC priorities—at 60 percent or higher.

HUD must release the FY2026 Notice of Funding Opportunity (NOFO) for the CoC Program by June 1, 2026 and make awards by December 1, 2026.

Current Application

- Only have 1 project to submit, previously funded under YHDP
- No one else needs to submit in eSNAPS
- Required to submit Project Priority Listing that ranks ONLY new projects (in our case the YHDP)
- Renewals will be based of FY24 submission

Next NOFO

- We will want to start community conversations to plan for anticipated changes and funding priorities with current administration
